Bleed Area

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing when the label is peeled.

Label Edge

The label edge is the solid black line, any images or text placed in this 3mm are may be cut off incorrectly.

Safe Area

Aim to keep all of your information inside the white area. Remember to use high resolution images (300dpi) for the best results.
