## **Bleed Area**

Anything here will be trimmed off, but remember to extend any colouring or images into this 3mm bleed area to avoid white lines appearing when the label is peeled.

## **Label Edge**

The label edge is the solid black line, any images or text placed in this 3mm are may be cut off incorrectly.

## **Safe Area**

Aim to keep all of your information inside the white area. Remember to use high resolution images (300dpi) for the best results.
